CONCEPT NOTE

CONTEXT

Following the adoption of a Resolution in 2009 at the end of the 5th Edition of the Africities Summit, held in Marrakech, in the Kingdom of Morocco, UCLG-Africa has proceeded to the creation of an African Local Governments Academy (ALGA).

On the basis of a feasibility study, ALGA has been assigned four main missions:

- Promoting and anchoring quality standards in the field of learning, training and capacity building targeting Local Governments in Africa;
- Upgrading and modernizing the Human Resource Management of African Local Governments;
- Designing and disseminating an innovative training offer, responding to the current context of Decentralization, Local Governance and Local Development in Africa;
- Supporting and professionalizing the Members and the Networks of UCLG Africa.

To date, UCLG-Africa through its Academy has identified and concluded Partnership Agreements with some 23 Anchoring Institutes covering the 5 African Regions and responding to the diversity that characterizes this Continent.

On the occasion of the organization of the 3rd edition of the Forum of Territorial Managers and Training Institutes targeting Local Government in Africa, in the Kingdom of Morocco, at Al Akhawayn University of Ifrane, from 10 to 14 June 2019, the Academy will hold the 4th Meeting of its Academic Board.

During this Meeting, ALGA will organize a Peer Review for its African Anchoring Institutes on June 13, 2019.
